

K-LOVE radio station serves me as a resident of Denver. It would be a huge disservice to me and my family if K-LOVE was displaced by an LPFM broadcaster.

The service of K-LOVE provides a tremendous public interest as a positive alternative for our children and families.

I can't tell you how many times I woke up in the middle of the night to feed one of our babies and dragged myself to the kitchen, only to be energized by the encouraging music coming from the K-LOVE radio station I left on in the kitchen.

It would be a real blow to our community to lose such a tremendous service.
